January 2026

The membership fee for existing members is \$45.00. New membership fee is \$45.00 plus \$10.00 initiation fee plus a one time \$15.00 fee for an RFID badge. If your membership paperwork is not renewed by March 31, your RFID badge will be turned off. Please note, if you do not return any paperwork whether you owe money or not, you will not receive any further mailings from the club.

The RFID badge fee will be a nonrefundable one time \$15.00 fee for any member to use the shooting range or to hunt on club property. The RFID badge will work as long as the member's dues are current, has not left, or been expelled. If a member leaves or is expelled from the club, no refund will be made to the former member. If the badge is lost or damaged, the member will have to purchase a new RFID badge which costs \$15.00. If the lost badge is found, the member will be reimbursed for the cost of the new badge.

Due to insurance requirements, all new members are required to attend a range safety orientation session, no exceptions. Also, due to insurance requirements, no Guests are allowed on the Shooting range or on the hunting property.

Also, due to Insurance requirements, there is an Insurance waiver that must be signed by all new members and returned with your membership form or you will not receive your RFID badge. You will have to attend a membership meeting in order to sign the insurance waiver form.

You may be asked to show ID and your RFID badge, which should be visible at all times, while on club property.

All children must be made Junior Members in order to use the range or hunting grounds. The fee is only \$1 per child for the year. They must be accompanied at all times by an adult member with the RFID badge. Juniors must display their membership pins.
